Grower Levies Working for You in November 2012

	<i>I designed a complete "New Look" for the CGA website to bring it in line with the CGA image and colours which we have been using in recent Annual reports, posters and communications.</i> Gloria Weare - Executive Assistant to CEO. gloria@cga.co.za	
	<i>I was one of 1200+ delegates from 56 countries who attended the 12th International Citrus Congress in Valencia, Spain. Apart from the valuable networking opportunities with citrus researchers and technologists, the congress highlighted the status of global citriculture research and cutting edge technologies.</i> Dr Paul Fourie - Manager: Citrus Improvement Scheme and Portfolio Manager: Disease Management phfourie@sun.ac.za	
	<i>During November, I was involved with finalizing the SARS Audits as well as the routine financial duties associated with operating CRI's financial systems on Pastel.</i> Bridget Coetzee – Senior Bookkeeper bridget@cri.co.za	
	<i>I have spent a considerable amount of time and energy in visiting growers who are using RB's brand and promoting the correct use of River bioscience products to the benefit of the citrus industry.</i> Jacques Fouche – Marketing Manager Jacques@riverbioscience.co.za	
	<i>I have been finalising bursary funding and candidates for the 2013 academic year. I have also been busy securing placements at citrus enterprises for our 2013 internship candidates."</i> Candice Sydenham – Bursary Fund Administrator Candice@citrusacademy.org.za
