

Grower Levies Working for You In November 2013

During the month of November I drafted a submission to the Ports Regulator in response to the tariff application made by Transnet National Ports Authority (TNPA) for an 18% increase in the ports tariff for the financial year 2014/15. I also met with the Ports Regulator to discuss the contents of the TNPA application.

In November het ek bestaande proefpersele in die Nkwalini-vallei, KZN en in die Citrusdal area opgegradeer en verskeie proefpersele in die Oos-Kaap se Middellande, Gamtoos- en Sondagsriviervallei besoek.

Ek het op verskeie fisiologiese skildefekte (voor- en na-oes) manipulasie toegepas om die voorkoms van die defekte potensieel te verminder. Die skildefekte sluit in Peteka van suurlemoene en gepokte skil van Valencia lemoene.

I completed the last three out of seven AgriBEE workshops held across the country during November. We also gave a preliminary report-back presentation on the data collection project of emergent citrus producers to the Citrus Growers Development Chamber.

Certainly no slow winding down to year end at the CGA! I arranged a trip to the Far East for my boss as a guest at the massive Seogweipo World Citrus Expo, followed by travel and hotel arrangements for him, our Chairman and a citrus industry delegation to Brussels for further CBS related discussions with the EU.
