

Grower Levies Working for You in April 2014

	<i>During April I attended the Citrus Improvement Scheme (CIS) workshop facilitated by NAMC. The CGA objective is to get a statutory CIS in place so that the risks of new pest or disease contamination is minimised. I also took part in the Global Citrus Teleconference, which was focussed on developing a southern hemisphere citrus estimate for 2014. Apart from that it was the usual issue that keeps many of us awake at night – CBS!!</i> Justin Chadwick – Chief Executive Officer, CGA justchad@iafrica.com	
	<i>In April was ek verantwoordelik vir die okulering van die vermeerderingsbome by die Sitrus Grondvesblok.</i> Monica Jonas - Labour Budding, CFB	
	<i>In April was ek verantwoordelik vir die instandhouding van die Grondvesblok se infrastruktuur asook vir die besproeiing en bespuiting van die vermeerderingsbome.</i> Michael Zamxaka - General Operator Maintenance, CFB	
	<i>The new financial year started on 1st April, so I have been preparing for our audit, finalising project plans for the new year, and securing donor funding. We are also preparing to move offices around the end of May, and switch to our new website!</i> Jacomien de Klerk – General Manager, CA jacomien@citrusacademy.org.za	
	<i>I was engaged with preparation for the roll-out of FCM-SIT to the Northern areas, marketing, acquisition of finance, engaging with stakeholders and preparing the facility in Citrusdal for increased production capacity.</i> Sampie Groenewald – General Manager sg@cri.co.za
