

Grower Levies Working for You in May 2014

In May I visited Mpumalanga department of agriculture. The purpose of the visit was for the plenary session for the extension programme 2014. As CGA has signed a MoU with the department it is always important that the department and CGA/CRI come together and plan activities for the year.

Lukhanyo Nkombisa – Transformation Manager
lukhanyo@cga.co.za

During the month of May I was responsible for the loading of all expenses on Pastel for RB, CRI and the Citrus Foundation Block.

Monique Ferreira – Bookkeeper
mf@cri.co.za

In Mei was ek verantwoordelik vir die besproeiing van die saadbron-boorde by die SitrusGrondvesblok asook vir die chemiese beheer van onkruid binne en rondomdie kweekhuise.

Michael Nelanie – General Operator: Irrigation, CFB

During May, I was busy with planning the pilot phase of our Citrus Business Management learning programme and working on developing a framework for a Citrus Production e-learning programme.

Sam Louw – Programme Co-ordinator
sam@citrusacademy.org.za

In the past few months I have been receiving quality control training in the production of RB products. River bioscience (RB) places a high premium on producing the best products of the highest standards for farmers and I am excited to make this important contribution.
