Grower Levies Working for You in October 2012

	<i>While attending World Food Moscow, Anton Kruger and I met with the Russian Business Chamber and SA Embassy Ambassador Vusi Mveli, where we stressed the need for government support in maintaining a presence for SA fruit at international trade shows.</i> John Edmonds - Information Manager johne@cga.co.za	
	<i>During October I selected this year's winners for the CRI Award for Best Contribution to Fruit Production at the Eskom International Science Fair in Johannesburg and completed my contributions for a book chapter on citrus pests.</i> Dr Tim Grout –Research and Technical Manager tg@cri.co.za	
	<i>In October I concentrated on gathering the necessary information to meet the requirements of the RiverBioscience SARS Audit.</i> Bella Thulare – Bookkeeper bella@cri.co.za	
	<i>Following successful implementation in the Olifants River Valley in the Western Cape, Xsit has recently expanded to the Sundays River Valley in the Eastern Cape, now covering a total of 7500 hectares under the FCM- Sterile Insect Technique.</i> Sampie Groenewald – General Manager sg@xsit.co.za	
	<i>During October I managed the Citrus Academy and Citrus Growers Development Chamber's Facebook Pages, and together with my colleagues, registered for an Excel for Business Online Course, as part of the Citrus Academy's own skills development.</i> Angela Phillips – Personal Assistant angela@citrusacademy.org.za
