Activity F1 – Workplace Plant Health Management

Answer the following questions based on the farm you are completing your work experience at:

1. Who manages fertilisation on the farm?

--

2. When was the last fertiliser application?

--

3. What fertiliser (which element) was applied?

--

4. What kind of application was used?

--

5. Was the application successful? Why or why not?

--

6. Name 2 possible problems that could have occurred:

--
