Activity F1 – Workplace IPM

4

Activity F1 – Workplace IPM

While completing your practical work, answer the following questions based on the farm you are working at:

1. Who is in charge of pest management on your farm?

2. Which pests are the biggest issue on your farm?

3. Which organisms are used as biological control methods on your farm?

4. How many scouts are used on your farm?

5. How regularly is scouting performed on your farm?

6. Which cultural control methods are used on your farm?

7. Which agrochemicals are used for pest control on your farm?
