Answer the following questions based on the farm you are completing your work experience at:

1. What teams are you currently a leader of?

2. What would you say is your most common leadership style? Why do you use this style?

3. What was the last training you received?

4. What was the last training a worker (other than you) received?

5. What was the last conflict in a team you've led and how did you resolve it?

6. Would you say workers on your farm have good morale? Why or why not?
