

**DP WORLD**

Global Ports Connecting Global Markets

## Shareholding

DP World Maputo has the concession to manage, develop and operate the Maputo container terminal; this concession has been granted until 2043.

- **DP World - 60%**
- DP World, one of the largest global marine terminal operators in the world with 50 operating terminals in 28 countries, handled 50 million TEU in 2010; an increase of 14% against the prior year. With a pipeline of expansion and development projects in key growing markets, capacity is expected to rise to around 95 million TEU by 2020.

## Objectives

DP World believes that the key to success is business sustainability through customer satisfaction.

- Quick Turnaround for berth and gate
- Expanding beyond the gate
- Support new trade development

- Present capacity 187.000 teus p.a.
- 300m of quay with 11.5m depth
- 2396 total ground slots
- 96 reefer points
- 3750 sqm warehouse for LCL cargo
