A.P Moller - Maersk has announced the arrival of 1800 cold-chain boxes in South Africa to assist with the country's citrus exporting season.

The reefer boxes arrived on board the Kmarin Aqua, a 38-metre Panamian-flagged box ship that was in the vicinity of Port Elizabeth when it was vessel-tracked just after 1pm.

For a drone video of the vessel's recent arrival in Cape Cape, follow this link: https://www.linkedin.com/posts/maersk-group_maersk-reefers-coldchainlogistics-ugcPost-666447922242910208-Yo4s
