Audio-visual learning media

Audio-visual learning media is used by growers, farm and packhouse managers, learning providers, extension personnel, and anyone else that needs an effective way of developing and reinforcing skills and knowledge on aspects of citrus production. A series usually includes modules aimed at managers and supervisors, and modules aimed at workers, which can be used to reinforce learning.

Citrus Academy audio-visual learning media titles include:

- Integrated Pest Management for Citrus
- Citrus Planting Management
- Citrus Pruning
- Plant Structures and Functions
- Safe Handling of Agrochemicals
- Citrus Plant Propagation
- Citrus Harvesting
- Citrus Packhouses

Audio-visual learning media can be viewed on the [Citrus Academy YouTube channel](#), or purchased from the [Citrus Academy website](#).
