Citrus e-Learning Courses

Citrus Academy short courses can be completed through our e-learning platform. Learners are taken through module content, directed to additional resources e.g., video material and production guidelines, and given feedback. Once the learner has successfully completed all the assessment activities, they are awarded a certificate of competence.

Students who are registered at a tertiary academic institution (with a current, valid student number) are eligible for an 80% discount by using the coupon code: Student Discount.

If you are employed by, or related to a black-owned citrus enterprise, you can do any course for free, by using the coupon code: Transform Citrus. You will be asked to verify your status.

Registrations for e-learning courses are done on the Citrus Academy Website.

For more information, please contact Desiree at desiree@citrusacademy.org.za.

CGA Citrus Summit

RESPECTING OUR ROOTS, FORGING OUR FUTURE

The CGA Citrus Summit provides a platform in which to bring growers of the different citrus regions together, with industry stakeholders, so discussions on industry growth, challenges and prosperity can take place on a broader base than the more localised roadshows.

Registrations are now open! Visit the CGA website to register.

For more information, please contact Tanya at tanya@cga.co.za or (031) 765 2514.
