HR Newsletter No. 17 | 3 April 2023

Citrus e-Learning Courses

Citrus Academy short courses can be completed through our e-learning platform. Learners are taken through module content, directed to additional resources e.g., video material and production guidelines, and given feedback. Once the learner has successfully completed all the assessment activities, they are awarded a certificate of competence.

Students who are registered at a tertiary academic institution (with a current, valid student number) are eligible for an *80% discount* by using the coupon code: **Student Discount**. If you are employed by, or related to a black-owned citrus enterprise, you can do any course for free, by using the coupon code: **Transform Citrus**. You will need to verify your status.

Registrations for e-learning courses are done on the Citrus Academy Website. For more information, please contact Desiree at desiree@citrusacademy.org.za.

ETBCG Graduates

The Citrus Academy has been implementing a skills development initiative across various citrus-growing regions. Learners who have successfully completed their training are now available to enter the citrus labour pool in their regions as potential employees for your organisation.

We are currently making their details available to you via this newsletter and on our website. Your organisation will then be free to contact them at your convenience.

View the candidate list here: <https://citrusacademy.org.za/etbcg-learner-database/>.

Citrus Resource Warehouse

Visit the Citrus Resource Warehouse, an online storage space for a variety of documents relevant and pertaining to the southern African citrus industry. For more information, email talk2us@crw.org.za.
