Citrus Short Courses

The next short course to be held is Citrus Production which will take place in Groblersdal on **1-3 February 2023**.

Learn about all aspects of citrus production including the history of the industry, the roles of industry organisations, citrus production practices and the citrus export value chain.

Registrations for short courses are done on the Citrus Academy website.

For more information, contact Nonhle at nonhle@citrusacademy.org.za or (031) 765 3410.

Material and Programme Developer

The Citrus Academy is employing a Material and Programme Developer to join a dynamic team serving a dynamic industry.

The mission of the job is to develop and curate the Citrus Academy learning materials to the highest quality, ensure that they are up to date and meet the needs of the target learners.

Visit the Citrus Academy website for more information or see the attached job advert.

Suitable CVs and a cover letter can be sent to learnmore@citrusacademy.org.za by no later than **15 February 2023**.

14-16 March 2023

CGA Citrus Summit

RESPECTING OUR ROOTS, FORGING OUR FUTURE

The CGA Citrus Summit provides a platform in which to bring growers of the different citrus regions together, with industry stakeholders, so discussions on industry growth, challenges and prosperity can take place on a broader base than the more localised roadshows.

Registrations are now open! Visit the CGA website to register.

For more information, contact Tanya at tanya@cga.co.za or (031) 765 2514.
