Orange Heart Fruit Donations

Last season, there were many stories doing the rounds about large volumes of fruit being discarded and destroyed because of the poor market conditions. Many growers and export agents were desperately looking for an alternative, for somewhere they could send or donate the fruit. We have the answer! The CGA's [Orange Heart Fruit Drive](#) collects fruit donations from the industry and redirects them to charities, such as foodbanks and soup kitchens, that provide support to poor households, schools, orphanages, and individuals. [FoodForwardSA](#), our main partner, is a foodbank with a nationwide footprint and internal logistics resources that enables them to collect fruit from anywhere in the country, directly from farms, packhouses, cold stores, warehouses, marketplaces, or fruit terminals, and deliver it to where it is needed. We also work with local soup and sandwich kitchens in Durban to distribute fruit that is rejected for export at the Durban harbour.

Contact [Sive](#) at Orange Heart and let her know where/when to collect available fruit and we will take it from there. Please pass this information on to your export agent as well. Let's have a heart and help each other.

Orange Heart Vrugte Donasies

Verlede seisoen was daar baie stories wat die rondte gedoen het oor groot volumes vrugte wat weggegooi en vernietig is, weens die swak marktoestande. Baie produsente en uitvoer-agente was desperaat op soek na 'n alternatief, waar hul iewers die vrugte kon stuur of skenk. Ons het die antwoord! Die CGA se [Orange Heart Fruit Drive](#) samel vrugte-donasies van die bedryf in en herlei dit na liefdadigheidsorganisasies, soos voedselbanke en sopkombuise, wat ondersteuning aan arm huishoudings, skole, weeshuise en individue bied. Ons hoofvennoot is [FoodForwardSA](#), 'n voedselbank met 'n landwye voetspoor en interne logistieke hulpbronne wat hulle in staat stel om vrugte te bring van waar dit is, tot waar dit nodig is. Vrugte kan oral in die land afgehaal word, direk vanaf plase, pakhuise, koelkamers, stoorplekke, markte of vrugte-terminale. Ons werk ook saam met plaaslike sop- en toebroodjie-kombuise in Durban om vrugte wat vir uitvoer by die Durbanse hawe afgekeur word, te versprei.

Jy kan net vir [Sive](#) by Orange Heart laat weet of jy vrugte beskikbaar het, waar dit is, wanneer dit afgehaal kan word, en ons sal dit van daar neem. Stuur asseblief hierdie inligting ook aan jou uitvoer-agent. Kom ons het 'n hart, en help mekaar.
