Bursary Fund Applications

Bursary Fund applications are open on the Citrus Academy website! The closing date is 15 September 2023. For queries, email learnmore@citrusacademy.org.za.

Service Provider Database

The Citrus Academy is funded by the citrus growers of southern Africa and is mandated to facilitate human resource development in citrus workplaces. The Academy has been requested to gather information about learning providers active in citrus production regions, as an accessible reference source to employers in the industry.

The Academy will only verify the accreditation status of service providers that submit their details, but if we should receive credible feedback from growers indicating that information that has been provided is inaccurate, we retain the right to remove the information from our website until we are satisfied that it is accurate.

Visit the Citrus Academy website to [register](#) or [search for a service provider](#).

Orange Heart Fruit Drive

Call to action! The CGA's [Orange Heart Fruit Drive](#) collects fruit donations from the industry and redirects them to charities, such as foodbanks and soup kitchens, that provide support to poor households, schools, orphanages, and individuals. [FoodForwardSA](#), our main partner, collects fruit from anywhere in the country, directly from farms, packhouses, cold stores, warehouses, marketplaces, or fruit terminals, and delivers it to where it is needed. We also work with local soup and sandwich kitchens in Durban to distribute fruit that is rejected for export at the Durban harbour.

Contact [Sive](#) at Orange Heart and let her know where/when to collect available fruit and we will take it from there. Please pass this information on to your export agent as well. Let's have a heart and help each other.
