We're on our way! In August and September 2023, Jacomien de Klerk, the general manager of the Citrus Academy, will be on the road to meet with HR and training staff of citrus companies, training providers, and anyone else who is interested in the services of the Citrus Academy and the latest developments on the training and education landscape. The agenda for the meetings includes:

- How to take advantage of Citrus Academy services and programmes
- How to stay informed of Citrus Academy activities
- Understanding the transition to occupational qualification training
- How to get the most out of the AgriSETA

Don't miss this opportunity to meet compatriots, catch up on the latest news and developments, and discuss burning issues in training and education.
