Citrus Short Courses

The next short course to be held is Citrus Production which will take place in Citrusdal on **11-13 October 2023**.

Learn about all aspects of citrus production including the history of the industry, the roles of industry organisations, citrus production practices and the citrus export value chain.

Registrations for short courses are done on the [Citrus Academy website](https://www.citrusacademy.org.za).

For more information, contact Sive at sive@citrusacademy.org.za or (031) 765 3410.
