Visit the [Citrus SuperPower](#) programme information page on our website, or email our [Stakeholder Engagement manager, Sam Louw](#).

Participate in the Citrus Secondary Programme in 2025!

The Citrus Secondary Programme is aimed at Grade 10 and 11 learners in citrus-growing regions, to introduce them to citrus production. The programme can be offered either as an extra-mural activity or part of the school curriculum.

If there is a high school in your area that you think would benefit from this programme, please get in touch with our [Project coordinator, Sive Silo](#).

Spare a minute to provide us with your feedback?

Feedback from the WOZA Roadshow survey will help us greatly in preparing for the next one! If you attended the roadshow this year, please assist by [completing a quick survey](#)!

Your assistance is highly appreciated, and we will keep all information confidential!

For any enquiries, please email our [Project coordinator, Sive Silo](#).

Update your HR contact information with us!

Our analytics tell us that, of the people who have registered to receive our HR correspondence, very few are reading and taking action on the information provided.

Please make sure that we have the correct contact details of the HR Representative or Talent Manager of your organisation, by asking them to [register on our website](#).

Alternatively, send an email to our [Data manager, Angela Phillips](#), to update your details.
