HR Newsletter No. 49 | 22 October 2024

Assist with the Pest Control Operator Requirement Survey!

In light of the new Pest Control Operator requirement, CGA / CRI require your assistance in completing this very short survey, to enable them to provide feedback to CropLife SA.

All information collected will be treated as confidential and will not be sent to third parties.

[Click here to complete the survey](#)

For information or queries, email the [CGA's Food Safety Specialist, Paula Bester](#).

Browse Citrus Academy e-learning short course offerings!

While you are busy with your annual training implementation, remember to include our assorted [short courses and programmes](#) on offer. There is something for everyone on staff!

[Register here for our e-learning short courses](#) and take advantage of our CGA member discounts!

For information or queries, email our [Project Coordinator, Sive Silo](#).

Update your HR contact information with us!

Our analytics tell us that, of the people who have registered to receive our HR correspondence, very few are reading and taking action on the information provided.

Please make sure that we have the correct contact details of the HR Representative or Talent Manager of your organisation, by asking them to [register on our website](#).

Alternatively, update your details by sending an email to our [Data manager, Angela Phillips](#).
