Optimise 2025 Work Integrated Learning the citrus way!

The Citrus Academy Ready-Steady-Work programme helps new citrus enterprise employees integrate into the workplace via our e-learning platform.

The programme includes three modules: one for work-seekers preparing for citrus industry employment; one for workplace coaches implementing onboarding and induction programmes; and one for new employees, with weekly sections covering their first three months.

Visit the Ready-Steady-Work E-Learning registration page to enrol

Contact **Sam Louw** or **Sive Silo** for more information or queries about the programme.
