HR Newsletter No. 61 | 4 March 2025

AgriSETA Employer Survey deadline extended!

Data from this survey is used to update AgriSETA planning documents (Sector Skills Plan and Sub-Sector Skills Plans) as well as the development of the Sectoral Priority Occupations and Interventions list.

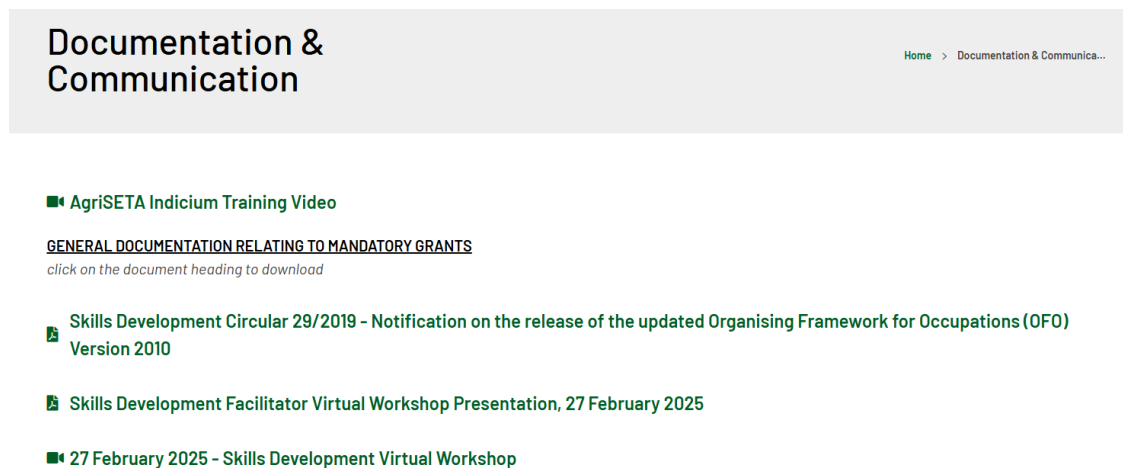

Input into this survey is critical from the citrus sector! The more information you can provide ensures that the AgriSETA plans reflect industry needs.

Closing date for survey submissions is **Friday, 7 March 2025 at 14:00.**

[Complete the online survey here](#)

AgriSETA SDF Presentations are ready for you!

The presentation and recording for the SDF event, held on 27 February 2025, is **now available on the AgriSETA website**. Click on WSP/ATR and go to Documentation & Communication. See screenshot below to help you find them.

Citrus QSPs waiting for you!

The Quick Skills Programmes were developed to standardise short learning programmes for workers and can be facilitated by any person with the necessary knowledge about the subject at hand, including farm/packhouse technical staff, consultants, extension officers, skills development providers.

[Click here for more information of the training options and processes](#)

[Click here to register for any of the Quick Skills Programmes](#)

The resources and certification service for these programmes are provided **free of charge**.
